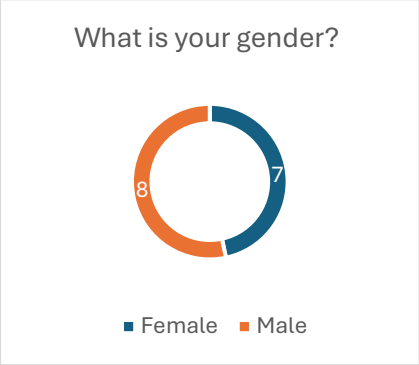
The Diversity and Equality data collection for the Governing Body.

15 Governors (October 2026)

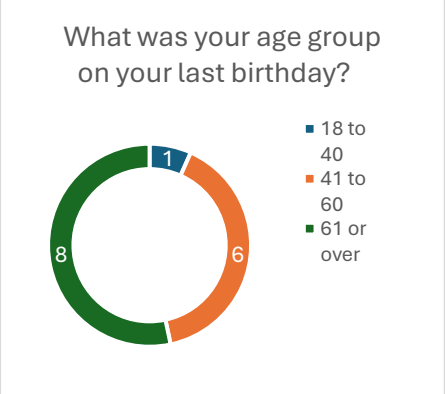
What is your gender?

Gathering this data will allow the board to reflect on its gender diversity and the extent to which this offers a healthy difference of perspectives.



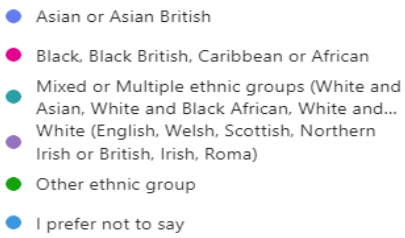
What was your age group on your last birthday?

This data can be used to inform targeted recruitment and succession planning which ensures different generations are represented and gives the board a wider perspective.



What is your ethnic group?

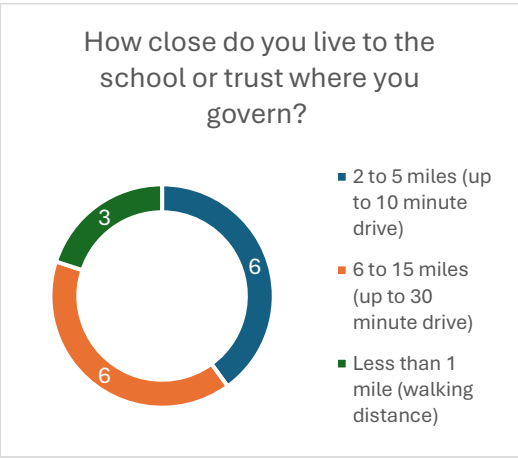
This data will allow the board to reflect on how its composition reflects the communities it serves and society as a whole.



100% of the Governing Body are White (English, Welsh, Scottish, Northern Irish or British, Irish, Roma)

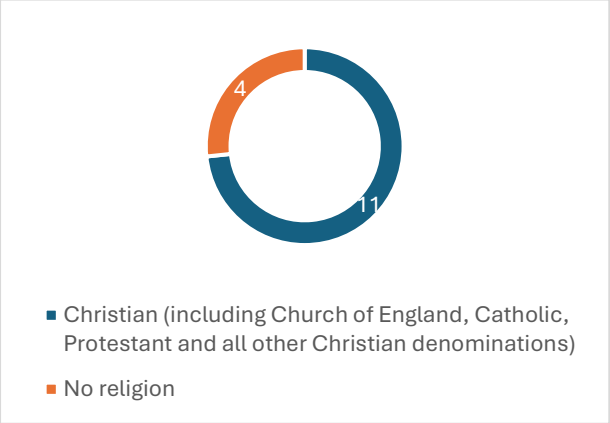
How close do you live to the school or trust where you govern?

This data will allow the board to reflect on how 'local' their membership is and what opportunities and issues this presents.



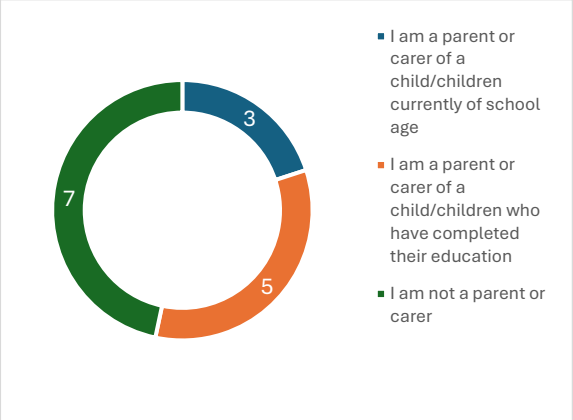
What is your religion?

This data will allow the board to evaluate which faith groups are represented among its membership.



What is your experience of school as a parent or carer?

This data will ensure that the board is aware of the range of parental experience among its membership.



Do you have a disability?

This data will help to ensure that the board is aware of any barriers to full participation in governance caused by disability, including non-visible disabilities.
