Half Term Attendance Incentive.

As you are all aware attendance and lateness are monitored rigorously and we are working hard to improve our overall school attendance.

School attendance must improve and the incentive scheme we run each half term is there to recognise and reward those that have achieved 100% attendance. The team and I are always available to speak to should you have any concerns regarding your child's attendance. We are there to provide help and support where persistent illness and absence is an issue.

A huge well done to the following children who have achieved 100% attendance this half term. The following children have been entered into a draw and the winner's parents will receive a £25 voucher. The winner will be revealed on Thursday and announced on our school website.

Once again thank you to you all and good luck!
