BDO – APPRENTICESHIP OPPORTUNITIES – CLOSING 15TH NOV – START SEPT 2027

Audit Technology - This 4-year programme involves working in either the Data Analytics or IT Controls teams. The Controls team helps the audit team identify and assess risks associated with finance applications. Key responsibilities include general controls testing over financial applications, cybersecurity risk assessments and database and operating systems controls testing. The Data team uses data analytics to support audits by examining entire populations of financial data. Key responsibilities in this role include exploring and analysing data to help understand how businesses operate and identifying potential risks using tools such as Alteryx, Databricks, Python, SQL, SAS, amongst others https://careers.bdo.co.uk/job/birmingham/2027-audit-technology-school-leaver-apprenticeship-programme/1469/45085584064

HOWDEN UK - L3 APPRENTICESHIP OPPORTUNITIES - CLOSING 13TH NOV - START SEPT 2027

L3 Risk & Compliance Apprentice - On this 18 month programme apprentices work towards a L3 Compliance and risk officer apprenticeship. Apprentices will work on real projects and learn how the team plays an important role in protecting clients, colleagues and reputation. They'll support the maintenance of the risk register, assist with reviewing information to identify potential risks, patterns or areas that may require further investigation and collaborate with specialist teams such as Financial Crime, Data Protection, Regulatory Affairs and Compliance Monitoring
