Year 2 Curriculum Newsletter

Our topic this half term is...

'From Field to Fork'

Topic

Year 2 will be learning about where their food comes from in their 'From Field to Fork' topic. They will have a Zoom meeting with Danby Moors Centre on Friday 5th March to learn more about where food comes from. As part of their drawing topic in Art, children will be learning about adding pattern and texture to their work and producing an end piece in the style of Andy Warhol. In Music, the children will be listening and appraising reggae songs this half term.

Maths

The children will be continuing to practise their multiplication and division skills focusing on 2s, 5s and 10 times tables. They will also be learning about the names and properties of 2D and 3D shapes. To end the term they will be learning about fractions.

English

This half term, the children will be focusing on instruction writing, non-chronological reports about vegetables and a character description.

Children will be continuing to work on RWI and will bring home their books to practise at home during the week and their book band books for the weekend.

Children will also be practising spelling using their phonic sounds and common exception words.

PE

This term Y2's PE sessions are on a Monday and Friday. The children will be taking part in invasion games and moving in a range of different ways.

Science

Y2's Science topic is Healthy Me which looks at keeping a healthy body and mind, why exercise and hygiene are so important, looking at different food groups.

Computing

The children will be focusing on using search engines and creating pictures this half term on Purplemash which they can also access at home.

PE

Children still need to come to school dressed in their PE kits on their PE days. Just a reminder children can wear plain (grey, black or navy) jogging bottoms/tracksuit bottoms, plain (grey, black or navy) sweatshirt with a school yellow PE T-shirt.

Homework

This topic's homework menu is now available on Google Classroom. Now that everyone will be back in school we expect to see some fantastic homework being completed!

Google Classroom and Remote Learning

Well done to all of the children for working so hard during Lockdown and thank you to all of our parents for your support with remote learning. We look forward to welcoming you all back on Monday 8th March.
