### 'Celebrating your Child's Learning' Student Led Conferences (SLCs)

**Wednesday 20th, Thursday 21st & Friday 22nd April**

Dear Parents/Carers

We would like to invite you to discuss your child's progress, enjoyment and successes of this school year so far.

Led by your child, with the support of their class teacher, appointments will be held in the hall, during daytime appointments and in the classroom for appointments after school. The hall will be open for refreshments during the evenings too.

Your child will present their learning to you, sharing English, Maths and Expedition work they are proud of and the progress they have made. With the support of their class teacher, they will share the next steps in their learning. Your child will also share their HoWLs (habits of work and learning) and attendance data.

Appointments are structured with an allocated time of 15 minutes. An additional appointment can be scheduled if required.

All children will take home a form for selecting appointments, please complete the form and return to your child's teacher by Wednesday 30th March so appointments can be confirmed as soon as possible.

I look forward to seeing you all.

Yours sincerely

Kelly Overson  
Head of School
