Our Ref: ACT AGM

6 November 2026

Dear Parents and Carers,

RE: ACT (Academy Community Together)

Would you like to be part of a team that creates more opportunities for our children? Every child deserves the best possible school experience, and that is what we are here to achieve.

The TBHA PTA, known as ACT (Academy Community Together), is more than a fundraising group. We are parents, carers and staff working together to make a positive difference to our children's education. The funds we raise help the school provide additional resources, enhance learning and curriculum activities, and create opportunities and experiences that might not otherwise be possible.

By joining ACT, you can help shape these opportunities, bring fresh ideas to the table, connect with other parents, and play an active part in strengthening our school community. You do not need lots of spare time, just a willingness to make a difference. We meet four times a year and, whether you can offer a few hours to support an event, share an idea, or take on a committee role, your contribution helps us do more for our children.

On Thursday 3 December at 6.30pm, we will hold our AGM at The Burgess Hill Academy, and we would love to see you there. Come along to meet the team, hear what we have achieved, and discover how you could help create even more opportunities for our children. You are also welcome to bring a friend. ACT is a "Friends of" organisation, so people do not need to have children at the school to get involved.

Every child benefits when our school community comes together, and being part of making that happen is something truly special.

Can't make it but interested in finding out more? Contact us at pta@theburgesshillacademy.org.uk.

We look forward to working together for the benefit of our children.

Yours faithfully,

ACT (Academy Community Together)
