Next Week: (After half term)

- Thank you for a fabulous half term! Family learning events have been brilliant and the children spoke beautifully about their learning at SLCs. Y2 and Y6 have worked hard through their SATs. It's been a busy half term but productive and great fun!
- Y6 are raffling two fabulous Harry Potter hampers to raise funds for their leavers celebrations. Additional tickets are available from the office! <https://greentopschool.co.uk/harry-potter-affle/>
- Thank you to everyone who engaged with our National Numeracy day challenge! What a great way to celebrate maths!
<https://greentopschool.co.uk/national-numeracy-day/>
- In case you aren't aware, Trinity Academy have a year 6 transition page on their website:
<https://www.trinity-academy.org.uk/Transition/>

06.06.2022 - Welcome back

06.06.2022 - Green Tops Got Talent launched with the children

08.06.2022 - World Ocean dress up day in EYFS

<https://greentopschool.co.uk/nursery-world-oceans-day/>

10.06.2022 - The travelling book fair is at Green Top and will be open from 8:30 to 9:15 in the morning and 3:15 to 4:15 after school. It will be in school until the 15th June.

Shout outs:

This week we would like to shout out to Year 2 for working hard whilst sitting their SATs over the past two weeks.

Well done to you all for being so enthusiastic and working hard to do your very best!

Beautiful Work:

Crew Mumby performed a song for the Jubilee during our whole school assembly this week...it was beautiful!

Blog of the week:

I'm proud of the fabulous artwork blog this week - take a look:

Expedition:

Key stage 1 have been completing line pictures of different places and buildings in Thorne. They will be using them in their final product and will be adding detail using a variety of techniques.

In year 3/4, we have been completing different investigations to show how materials change state from a solid, liquid and gas. We have then applied our understanding of particles to explain why these changes occur and wrote our own conclusions.

Year 5 have been learning about osmosis this week, we used an experiment to develop our understanding of this process. We then linked this learning to capillaries in our body and how the capillaries help our body send vital nutrients around the body. On top of this, children and staff held their termly family learning. Students and parents took part in a range of sporting and cooking activities. Thank you to all parents who participated in this event- The Y5/6 team had a great afternoon!

Crew:

Have you seen our Jubilee celebrations this week?

Message from 'The Friend's of GT':

The new Friends of Green Top held their first DISCO this week and it was a huge success! The event raised a massive £600 - they would like to thank everyone involved and who supported this event.

Our next coffee morning:

Our next coffee morning will be on Monday 13th June 8:30 - 9:30 in the hall. See you there!
