Next Week:

- The announcement of 'Green Top's Got Talent' has everyone excited this week! The children will need to complete the Google Form if they would like to audition. Acts must be ready for the children to perform during school time, week commencing 4th July. [GTGT Google Form](#)
- Uniform - <https://greentopschool.co.uk/school-uniform/> A reminder of our school uniform - Please continue to support us with ensuring our children are in the correct school uniform.
- Parking - thank you for continuing to ensure drop off and pick up is safe for our students. It's great to see Bridge Street car park back in use, this will help us all!

13.06.2022 - join us in the hall 8:30 - 9:30 for our coffee morning.

14.06.2022 - your last chance to visit the travelling book fair!
<https://greentopschool.co.uk/travelling-book-fair-arriving-later-this-week/>

17.06.2022 - The Harry Potter raffle will be drawn!
Y6 are raffling two fabulous Harry Potter hampers to raise funds for their leavers celebrations. Additional tickets are available from the office!

Shout outs:

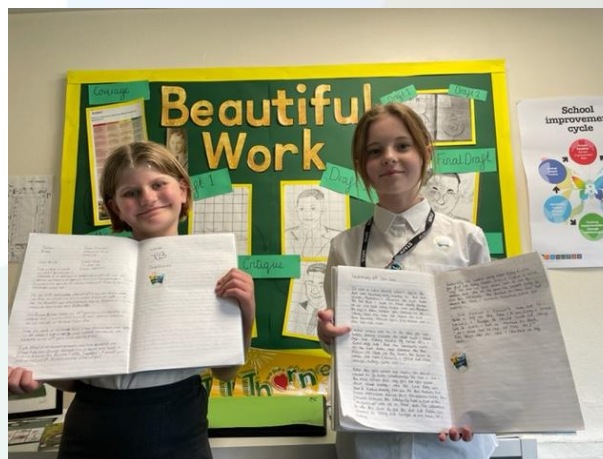

Beautiful Work:

Blog of the week:

This week the shout out has to go to Y4 who represented Green Top beautifully whilst on their overnight camp to Austerfield! We are so proud of you all!

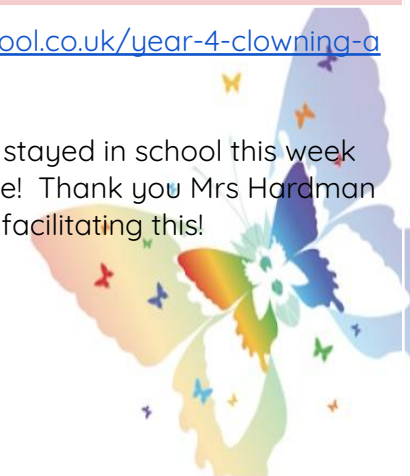

A big shout out to the Y4 staff crew who ensured everyone had the best time!

Check out our school blog to see the wonderful photographs of everyone having fun!

<https://greentopschool.co.uk/year-4-clowning-a-round/>

Our Y4 children who stayed in school this week also had a great time! Thank you Mrs Hardman and Mr Kershaw for facilitating this!

Expedition:

Next week in EYFS the children will begin to explore their 3rd case study. The children will dive into the question 'Where does your seaside adventure take you?' We will be having lots of fun with our new class text 'Billy's Bucket' and will be discovering who the characters are. The children will be delving into the fantasy realm of mermaids and pirates, creating their own stories and making props to support role play. We will also be exploring the sounds of the sea and composing our own sea-themed music!

In year 5 and 6, children have continued to develop their science skills through scientific enquiry. In year 5, children have explored diet, drugs and exercise and what impact this has on the body both positively and negatively. Next week, children in year 6 will have the opportunity to undertake an exciting lesson where they will have the opportunity to dissect a real lamb's heart to deepen their understanding and make connections to their theory work. Keep your eyes peeled to the blog for more information.

Crew:

Mr Mumby and Mr Oldridge had the opportunity this week to share our crew curriculum with 20 educators from Scotland. This was a great opportunity to share our stories and reflect on how crew has developed at Green Top.

Message from 'The Friends of GT':

The new Friends of Green Top are busy organising our annual 'Picnic in the Park'. The event will be held on Sunday 17th July - watch this space for additional details!

Our next coffee morning:

Our next coffee morning will be on Monday 13th June 8:30 - 9:30 in the hall. See you there!
