Shout outs:

Beautiful Work:

Blog of the week:

Jack's football team (Thorne Blues) went to a football tournament in Thorpe Willoughby on Saturday. They made it all of the way to the finals for the under 8s but lost that last match. Jack loves his medal - we are very proud of him!

Y1 - preparing content for our final product in P.E.

XP.

Expedition:

The EYFS children this week have been answering the question 'Where does your seaside adventure take you?' The children enjoyed a gallery walk to discover more about the characters from 'Billy's bucket' helping them to retell the story and answer questions building up recall of our key text. Look out for some of our wonderful lab activities from this week!

In key stage 1 we have recently done an RE day where we learnt about cultures, diversity and different religions. The children did treasure hunts for Islam, coloured in stained glass windows for Christianity, practiced drawing the Sikh symbol, wrote in Hebrew on their own scrolls for Judaism and completed wordsearches for the names of Hindu Gods. What an exciting and varied day we had to show how different everyone is!

Year 6 are currently focusing on the biology case study and are learning about the heart and the circulatory system. They have enjoyed putting their learning into practise through dissecting a heart allowing them to physically see the different parts of the heart. The children were really interested and thoroughly enjoyed the investigation!

Crew:

Another busy week in crew sessions this week! Years 2 and 6 have begun preparations for their "Final Word" presentations which will happen later in the term (dates on the link above). Across the rest of the school, crews have focused on how keeping active is healthy for both the body and mind. Children are continuing to log their 'travel trackers' to encourage a more active journey to school. Children can receive monthly pin badges if they can complete a week of active journeys such as walking, parking and striding or scootering.

Message from 'The Friend's of GT':

The new Friends of Green Top are busy organising our annual 'Picnic in the Park'. The event will be held on Sunday 17th July - watch this space for additional details!

Our next coffee morning:

Our next coffee morning will be on Monday 20th June 8:30 - 9:30 in the hall. See you there!
