# GEOGRAPHY LEARNING JOURNEY

SARAH BONNELL SCHOOL

The Geography team firmly believe that the study of Geography plays a fundamental role in developing well informed global citizens. Therefore, our curriculum is designed to explore a diverse range of topics that cover both human and physical Geography. The Geography curriculum is thoroughly planned with the idea that working backwards from GCSE is important for a pupil's progression and development in the subject. Pupils gain key geographical knowledge and skills starting from Year 7 and then continue to incorporate these within the content throughout Key Stage 3 and 4.

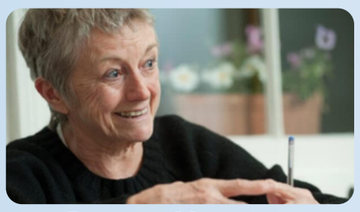
- Geographical Association (UK)
- Vocational courses
- Geography A-Level

**GCSE Exams**

**Enrichment Calendar**

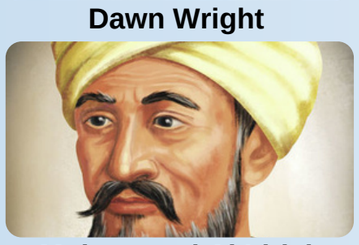
Ruth Wilson Gilmore

Yi-Fu Tuan



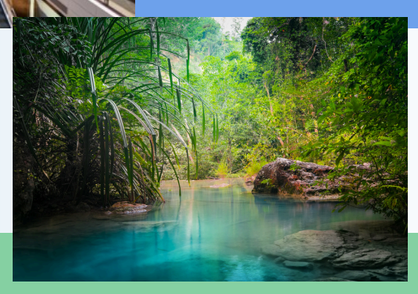
Doreen Masseey

Dawn Wright



Muhammad Al Idrisi

Vanessa Lawrence



**Stratford Regeneration Project**

**Changing Economy**

**HIC (UK) vs NEE (Nigeria)**

**Urban Issues** → Megacities: Mumbai, Birmingham

Food, water, energy in the UK

**Resource Management**

**YEAR 11**

Data collection/ sampling

Fieldwork studies

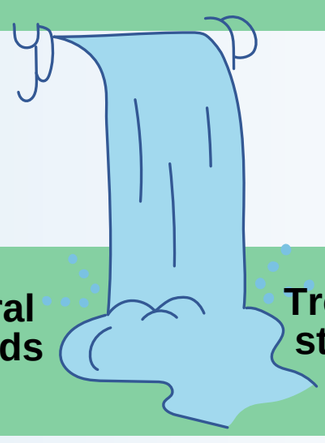
**River's Field-work Investigation**

**Exam skills**

Correlation

Coastal Management

**Coastal Landforms**



Deserts

Small-scale: ponds

**Living World**

Flood management

**Rivers**

**Natural Hazards**

**Tropical storms**

**UK weather hazards**

Tectonics/ Weather Hazards

TNCs/ Urban Issues

Issue evaluation

**YEAR 10**

**Justification**

**Natural Hazards**

**Globalisation**

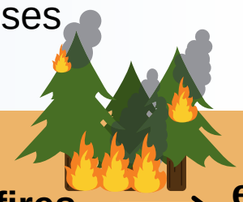
**Tropical Rainforests**

**Oceans**

Plastic Pollution

**Eco systems**

Processes



**Crime in the UK**

**Prediction**

**YEAR 9**

**Wildfires**

**12 mark essay writing (Enquiry)**

**Population**

**Migration**

Gapminder

Histogram

Figure and photo analysis

**Coasts**

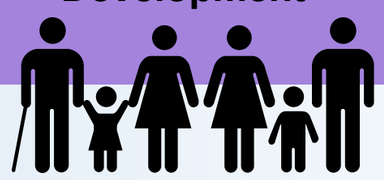
**Climate Change**

**Development**

**Analysis and evaluation**

**YEAR 8**

**Rivers**



Creating a mini-verse (Newham)

Climate graph

Choropleth map

Economy

Enquiry

**Micro-climate field-work**

**YEAR 7**

**Exploration Project**

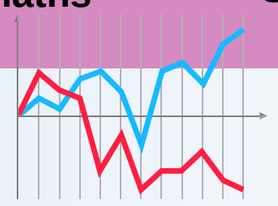
**Map skills**

**Geographical maths**

**Physical Geography**

**Human Geography**

**British Isles**



KS2 Education

Ability to understand the processes that give rise to key physical and human geographical features of the world, how these are interdependent.

**Weekly Enrichment Sessions**

- GCSE Booster Session
- KS3 Homework Club
- National Tutoring Program

**Summer Term**

- Global recycling day
- World Environmental day
- Earth day
- World water day

**Spring Term**

- Dragon's Den Project
- Earth shot Challenge

**Autumn Term**

- International Migrants week
- World Habitat Day
