24 November 2026

Dear Parents / Carers,

Thank you for your patience and support today. I'm very sorry for the disruption the heating failure has caused.

We are hoping to open at 11 am tomorrow, Wednesday 25 November, provided the heating is fully working. We will check the heating first thing tomorrow morning. We will send an email to all families **by 9.30 am** to confirm the arrangements.

Year 11 students sitting a Business Studies exam should arrive at the usual morning time. All other students should arrive at 11 am, unless we contact you by 9.30 am with a change to the arrangements.

Thank you again for your understanding.

Best wishes,

Jess Carter
