SARAH BONNELL
SCHOOL

25 November 2026

Dear Families,

I am very pleased to let you know that the heating has been restored and the building is warming up as I write. **School will open for all students at 11am today, as planned**, and our **Year 7 Celebration of Achievement evening** will also go ahead as planned.

I want to apologise again for the disruption to students' learning and to your family's plans yesterday and this morning. We really did want to keep school open, and I know how difficult it can be for families to make arrangements at short notice. Thank you for your patience and understanding.

I will be looking into what caused the heating to fail and what we can improve in the way we monitor and maintain the system, so that we can spot problems earlier and reduce the risk of this happening again. The last thing I want is for a problem with the building to get in the way of students being in school and learning.

We look forward to welcoming all students back at 11am and seeing our Year 7 families this evening.

Best wishes,

J Carter
