Next Week:

- Thank you for your support in using the footpath rather than the school drive when dropping off and collecting. We have noticed a huge difference and feel the safety of our children has improved when arriving and leaving school.
- Again, thank you for your support with today's changes. EYFS and KS1 staff will communicate new dates for these events.

This week we have hooked the children into their new expeditions for the autumn term. Next week we will start our time tables and curriculum for 22/23!

This week our new phase community assemblies will begin. These phase assemblies will also include our 'Out of This World' award. We have made the decision to invite you to the community assembly as we hope you will find it more relevant and informative, not to mention a chance to celebrate additional achievements with your child should you wish to attend. Like previously, we will inform you by text if your child is receiving the award and to invite you to join us - we do ask you to keep this a secret! Phase community assemblies are as follows:

EYFS - Tuesday - 9am - hall

Y1/2 - Friday - 9am - hall

Y3/4 - Wednesday - 9am - hall

Y5/6 - Thursday - 9am - hall

We look forward to welcoming you back to the 'Out of This World' celebrations.
