XP.

## Expedition:

In Year 5/6 we have fully immersed ourselves in our new and exciting expedition. This week we have been working as scientists, developing our knowledge of light. We discovered that light actually travels in straight lines! Using this knowledge, we then linked this to shadows and how they are formed through the absence of light. Finally, we looked at the human eye and how it worked. Believe it or not, the eye has more than 2 million working parts! 'Eye' can't believe it!

## Crew:

Well done to all children who completed their Student Led Conferences. The children worked hard in their academic crew sessions to prepare for their conferences and it certainly showed with their confidence in sharing their beautiful work from Autumn term. This week, the children have reflected on their academic performance and have made personal pledges that will help them further develop their HOWLs of 'work hard, be kind and get smart'. Finally, it has been wonderful to see phase community meetings resume this week following the Christmas festivities. I have seen many yellow t-shirts this week in and around school!

## Message from 'The Friend's of GT':

We are collecting Christmas jumpers and costumes to save for next year, please leave them at the office.

Any dress up costumes would be welcome to support upcoming events such as number day in February and World book day in March. The Christmas jumper shop was a huge success, we would love to help by supporting other events too!

Our next event will be our spring disco on Thursday 9th February. More information to follow.

## Our next coffee afternoon:

Our next coffee afternoon is taking place during our maths week and our learning council will join us to play maths games!

02/02/23

2pm - 3pm

3pm - 4pm

## Weekly lunch menus:

<https://drive.google.com/file/d/1abrglwf4SSzLLmaqDrm44I5IKuU7jOjR/view?usp=sharing>

## Reminders:

- Doors will continue to open from 8:30am and will be closing them at 8:45am so that we can start our crew sessions on time. It is important that children arrive at school on time everyday.

## Head of School Weekly Parents Newsletter

- Should you wish to access our sunset club this week, you can book by contacting Mrs Dewsnap: [sunset@greentopschool.org](mailto:sunset@greentopschool.org). Please include the following details: name, teacher, any allergies/dietary requirements, days required and a Contact number. Sunset club runs from 4pm to 5:30pm daily at £5 per day which should be paid in advance via ParentPay.

More beautiful work!
