

# Year Two Further Study

Throughout the term please choose from our menu below to challenge yourselves with further study . Submit your work to your class teacher through email or bring it in on a Friday to share in our crew sessions. We can't wait to see what you have been up to and award you with 20 HoWL points for each piece of work!

In addition to this, you are expected to read 3 times a week at home with your parents or carers. This can be a book from your reading pack, a magazine, a comic, a poem, a story or information text. Please write each time you have read in your reading journal and your reading books will be changed on a Tuesday and a Friday. We would also like you to practise your 2, 3, 5 and 10 times table by writing this out in full and chanting them when possible.

Expedition Learning	Maths	English	Life Skills
<p>I wonder what delicious snack or meal you could prepare at home. You could send us a photograph and/or write out the recipe.</p>	<p>Practise your 2, 5, 10 and 3 times table. Use TT rockstars to earn points on there too!</p>	<p>Write a creative and adventurous story about anything you wish!</p>	<p>Help out your grown ups at home and do some chores. Can you do the washing up after your tea?</p>
<p>Draw a skeleton and label all of the major organs and body parts.</p>	<p>Practice using your fact families with addition and subtraction equations.</p>	<p>Have a go at writing 5 exciting sentences about the 5 senses.</p>	<p>Time to put on a show! Learn a new magic trick, make up a new dance or learn how to juggle.</p>
<p>Ask someone in your family about their favourite musician or genre of music. Maybe you could listen to some clips of them on YouTube. Write a factfile to share what you have found out.</p>	<p>Keep your beady eye on the clock and practice telling the time at different points in the day. You could even write a timetable of your day.</p>	<p>Create your own poem about your favourite food.</p>	<p>Learn how to fasten your own shoe laces and show a friend or family member.</p>
<p>What do you do to make sure you stay healthy? Maybe it's brushing your teeth, or a sport that you do. Could you create a way to teach us about it? It could be a set of instructions, a video or another creative way you can think of.</p>	<p>Practice using money with your grown-ups. Adding coins to make amounts and finding change when buying.</p>	<p>Practice spelling all of the common exception words.</p>	<p>Choose a plant or vegetable to grow from a seed. Perhaps you could keep a diary of the changes you see.</p>
