

Y5/6 Homework Menu

Throughout the term please choose one piece of homework to complete weekly. Homework will be rewarded through postcards/stickers/HoWL points/whole class rewards etc. Please email photos to y5-6@greentopschool.org for your child to share in Crew.

In addition to this, you are expected to read 3 times a week at home with your parent or carer. This can be a book, a magazine, a comic, a poem, a story or information text. Please remember that you can quiz in school or at home on books that you have read. To check if your book is an Accelerated Reader book, go to www.arbookfind.co.uk , click 'pupil' and type the name of the book or the author into the search box. You can also quiz at home if your book is on AR. This is the link: <https://ukhosted73.renlearn.co.uk/5554975/>

It is also important that you practise your times tables every week. There are lots of great apps and clips on 'youtube' to help you – ask your parent or carer to have a look for you – and of course, there is also [TTRockstars](#).

Expedition Learning	Maths	Literacy	Life Skills
<p>Create a model of an old pit entry.</p> 	<p>Which times tables do you need to improve?</p> <p>Use ttrackstars to do daily practice so you can climb up the leaderboard and increase your recall.</p> 	<p>Scan the QR code and complete one of the SPaG practice papers from our SPaG site.</p> 	<p>Keep an exercise record to show what you do over a month.</p> <p>At the end of the month, work out how many hours of exercise you have done.</p>
<p>Create a collage of different mining pictures.</p> 	<p>Design your own coal mine. Can you use Area and Perimeter to measure the size of the different parts of your mine?</p>	<p>Write a short setting description about a coal mine.</p> <p>Use words from our story to help you.</p>	<p>Now the weather is becoming warmer, aim to go for a walk at least 3 times a week. Enjoy the nature around you and send your teacher any photos you take.</p>
<p>Create a poster about a mine in your local area.</p> <p>You could find out when it opened and closed, how many people worked there, if there were any disasters etc.</p>	<p>Design and draw a Headstock. Can you measure each side accurately using a ruler and find the total measurement.</p>	<p>Practise your spellings and cursive writing using letter join.</p> <p>Find all the login information on the blog.</p> 	<p>Plan a healthy meal with an adult at home. Take plenty of photos so we can blog it!</p>
<p>Research coal mines around the world and plot them on a world map.</p> 	<p>Can you draw a coal mine on a 4 quadrant coordinates grid and write some facts eg: the tunnel begins at coordinates (-4, -8)</p>	<p>Can you use your poetry skills to create a mining rap linking to what your know about Hurriers and Trappers.</p>	<p>Make May Meaningful.</p> <p>Scan the QR code to go to the action for happiness website. Look at the calendar and select a task. You could take a picture to record what you have done.</p>
