

Y5/6 Homework Menu

Throughout the term please choose one piece of homework to complete weekly. Homework will be rewarded through postcards/stickers/HoWL points/whole class rewards etc. Please email photos to y5-6@greentopschool.org or your child's teacher for your child to share in Crew.

In addition to this, you are expected to read 3 times a week at home with your parent or carer. This can be a book, a magazine, a comic, a poem, a story or information text. Please remember that you can quiz in school or at home on books that you have read. To check if your book is an Accelerated Reader book, go to www.arbookfind.co.uk , click 'pupil' and type the name of the book or the author into the search box. You can also quiz at home if your book is on AR. This is the link: <https://global-zone61.renaissance-go.com/welcomeportal/5554975>

It is also important that you practise your times tables every week. There are lots of great apps and clips on 'youtube' to help you – ask your parent or carer to have a look for you – and of course, there is also [TTRockstars](#).

Expedition Learning	Maths	Literacy	Life Skills
<p>Use what you have learnt about the rainforests and how the animals have adapted to live in this environment.</p>	<p>Can you calculate how much of the Rainforest has been cut down? How much of the Rainforest is left and calculate when it could all be cut down and disappear.</p>	<p>Watch a clip from Greta Thunberg's speech. Using hers as a model, write a speech of your own based on deforestation.</p>	<p>Go for a walk in your local area and collect pebbles/stones. Paint your pebbles with a rainforest animal or picture.</p>
<p>Bottle Top Art - Collect plastic bottle tops over the period of a week.</p> <p>Create a piece of artwork using the bottle tops. There are lots of examples on Google - Take a photo of your creation!</p>	<p>Create a bar chart showing the average temperature of each day for a week in England and compare it to the average temperature in the Amazon Rainforest.</p>	<p>Create a fact file about Brazil or another country that is near a rainforest. What interesting facts can you find out.</p>	<p>Help your parents with recycling household items. Take a lot of pictures for the blog!</p>
<p>Create a rainforest in a shoebox to show the different layers of the rainforest.</p>	<p>Create a line graph to show and compare a month's rainfall in the Amazon Rainforest and a month's rainfall in Thorne.</p>	<p>Write a fact file on an animal from the rainforest. Remember to include which layer it lives in. Can you add pictures?</p>	<p>Go on a walk around the local community. Can you make a difference by picking up any rubbish and recycling. Take a picture for the blog</p>
<p>Create your own rainforest animal and label its features. Try to mix and match features - the stranger, the better!</p>	<p>Calculate how much area was destroyed in the Australian bush fires. Compare the amount of land that was destroyed at Hatfield Moors.</p>	<p>Write a persuasive letter to your parents about why you should go on a trip to the rainforest this year. Remember to use persuasive vocabulary.</p>	<p>Research Fair Trade. Look around your house, can you make a list of any fair trade food items you have.</p>
