Thank you - DISCO

Firstly, I'd like to thank everyone for supporting Friends and attending the DISCO.

Secondly, I'd like to shout out our appreciation to the Friends for their efforts before and during the DISCO, we really appreciate your hard work. I think everyone agrees that the 'neon' themed was enjoyed by all!

Expedition:

Key Stage 1 had a fabulous re-hook into their learning this week by reading Supertato and then they made their own superheroes using vegetables and fruit that they brought in. We have also been writing letters to heroes who live in our community to invite them to our special celebration event.

Character Growth (Crew):

In Ks1 crew sessions this week, we have been looking at our results from our September arithmetic test and making pledges as to what we are going to practise to improve our scores and I was really impressed with their October arithmetic results too.

Friday 1st December – Christmas light switch on 5-8pm

Plans are underway and we can confirm we will have the grotto, crafts tent and this year real reindeer all FOC.

We are also hosting for the first time an indoor Christmas market. And have also arranged for a better selection of rides.

We are currently seeking sponsors which will determine how much other entertainment will can put on FOC.

Road closure applications are currently with Doncaster Council and we await the outcome. The layout is being rethought and plans are in place to reduce crowding and improve safety around the stage area. A separate area will be cordoned off for performers. Full details of the layout will be confirmed once we have an outcome of the road closure applications.

Please can you confirm that your school is performing? We are looking at 20-minute slots on stage.

Saturday 2nd Dec

The indoor Christmas market continues 10am-4pm.
