

EYFS Extended Study Spring 2024

Throughout the term please choose one piece of homework to complete weekly.

In nursery, we will collect homework in every Wednesday to be marked, shared and returned to you.

Homework will be rewarded with postcards/stickers/HoWL points/whole class rewards etc. Please email photos to eyfs@greentopschool.org for your child to share in Crew.

In F2 books will be allocated and sent home following the first half term if your child is ready. We encourage you to read at least 3 times a week at home with your parent or carer. Please write each time you have read in your reading journal so that we can move you up the reading challenge. Books will be changed on a Tuesday and Friday.

Expedition Learning	Maths	Literacy	Life Skills
Can you make a box model or character from a traditional tale? This could be the gingerbread man's house, the three bears cottage or a bridge for the Three Billy goats.	What shapes can you see hiding around your home? Can you describe the properties of the shapes? Can you use the shapes to create a picture or model?	Draw a picture of your favourite story character. What do you like about this character? Can you describe what they look like and what they do?	Can you follow a recipe to make a gingerbread man?
Can you draw a map of a journey you go on? Draw the things you saw on your journey in the correct order. Can you give someone directions about how to get somewhere in your community?	Can you make repeating patterns with objects found in your home?	Can you join in telling some of your favourite bedtime stories? Can you retell the story to your grown up by looking at the pictures? Can you retell one of the stories from school or a different traditional tale?	Can you help your grown ups to get to a familiar place? Can you tell them which way to go to get to the shop, the park or a family member's house?
Gather some objects from around your home. What materials are they made from? What are the properties of these materials?	Can you collect objects and record how many you have found? Eg, buttons belonging to the Gingerbread man.	Can you recite some simple songs or poems?	Can you get your own things ready for school? Do you know where to find your uniform, shoes, bookbag, coat?
Can you make something to solve a problem? e.g. a bridge for a toy to cross a river, a boat for a toy to sail across the water, steps for your toy to reach a shelf.	Can you build a tower and label the bricks with numbers? What if you had one more/less brick - how many now?	Can you draw pictures/write sentences to retell a familiar story? If you want to you could make up your own story!	Can you remember where you live? What is your house number and street name? What town do you live in? Where do your family members live?
