<https://greentopschool.co.uk/colour-run-reminder/>

We are looking forward to our very first colour run to celebrate the end of our first week back into 2024/2025!

Please ensure you have read the information previously shared and included above.

Here are a few additional points:

- Children can come to school on Friday in their clothes for the colour run. Where possible, white T-Shirts are the best but we just advise that children wear old clothes.
- Children will not be going back into school after the colour run, please collect your child from their usual playgrounds (at 3pm) where they will be lined up and waiting to be collected. Y6 children will need to be collected from the KS2 field as they will have their camping kit to take home too.
- If your child is attending sunset club, they must have a change of clothes and a carrier bag to place their colour run clothes in. Where possible, please collect at 3pm.
- If for any reason you do not wish for your child to take part, please inform their class teacher. They will take part in the activities away from the paint.
- Unfortunately, as this is our first attempt at a colour run and we also have the Green Top Camp set up, we can't accommodate parents to watch / join in. However, this is something we would like to consider for the future so watch this space!

The Friend's of Green Top have been busy planning this event and we are very grateful for their support in raising money for a reading for pleasure library!
