Be safe on the roads around our school grounds...PLEASE!

We continue to receive emails, phone calls and complaints regarding dangerous driving, parking and stopping near the gates in a morning and at the end of the day.

We will be working with the local council and community officer this year to attempt to make our school a safer place.

The school council will also be working on boards to display at both gates and a video to attempt to improve this serious safety concern.

Please consider your choices and help to keep our children safe!

MB Academy of Dance

29 Aug · 🌐

MB Academy does "Let's Dance for Charity !"

Sunday 29th September 2pm & 7pm performances.

Our competition team will be presenting their latest competition repertoire in a show to raise funds and awareness for children's mental health.

We hope to be able to come together and raise funds for a local charity OPEN MINDS DONCASTER.

Open Minds provide counselling services for Children aged 8-17 and they're in the process of launching an arts and nurture group. This is for individuals who aren't mentally able to attend school from past experiences of bullying , social anxiety to name but a few. Our aim is to help them on their way to provide a safe environment with funding for those who cannot afford private support or able to wait in the everlasting waiting lists we currently face in the uk system.

Our last contribution helped Open Minds fund 3 children to have counselling weekly for 12 months.

Mental health in children is at an all time high and this is something that is so close to our hearts. Even just a small amount of awareness can help and we endeavour to support the next generation wherever we possibly can.

Please help us support the youngsters of today in need whilst being entertained by our talented students.

You can book your tickets through the link in our bio.
