Dear parents and carers,

### **Exciting News: Maths Week Is Coming!**

We are thrilled to announce that we will be celebrating **Maths Week 2025** starting **Monday, 3rd February 2025**. This will be a fun-filled week designed to spark excitement and engagement with maths, featuring a variety of activities both in school and at home.

Here's what to look forward to during Maths Week:

- Daily crew sessions will include a special maths focus throughout the week
- **Friday, 7th February: NSPCC Number Day**  
We are delighted to be participating in the NSPCC Number Day, raising awareness and funds for this fantastic charity. The children will enjoy number-themed activities and challenges throughout the day. We will be taking part in 'Dress up for Digits'. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for donations, and we'd love everyone in the school to take part in this special event. It all adds up!

Please donate via this link: <https://secure.nspcc.org.uk/>

- **Competitions and Home Activities**  
Throughout the week, there will be competitions for children to complete at home. Details and instructions for these will be shared closer to the time via our school blogs, so please keep an eye out!

We are looking forward to a wonderful week full of maths fun and learning, and we would love your support in encouraging your child to take part in these activities.

Thank you for your continued support, and we can't wait to see the children enjoying Maths Week.

Kind regards,

Mr C Mumby
