Bring books to life

Ready Steady Read challenge!

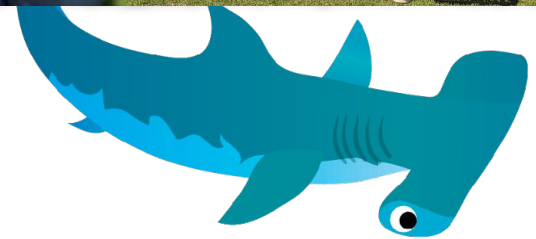

Hi from me!

Hi! I'm Laura and I'm your Independent Usborne Partner.

I'm a teacher too and I love books! That's why I became a partner so I could put lots of fabulous books into the hands of children like you!

I have 2 children of my own and they love reading!

How does the challenge work?

- A letter has been emailed to your adults to explain the challenge. You have also been given a reading log and sponsorship form.
- The challenge will start on Monday 3rd March until Sunday 9th March.
- In this time, read as much as you can!

How does the challenge work?

- You can read anything you like; books, leaflets, newspapers, comics, menus, recipes... the list goes on!
- You can read on your own, with someone you know or be read to.
- Write on your reading log how much time you spend reading each day.
- Ask people you know to sponsor you!

How does the challenge work?

- When the challenge finishes, bring your reading log, sponsorship form and money into school so we can see how much you have raised!
- ALL of the money raised is the schools to spend on whichever Usborne books you want...this is the fun bit for the teachers! And they may ask you to help!

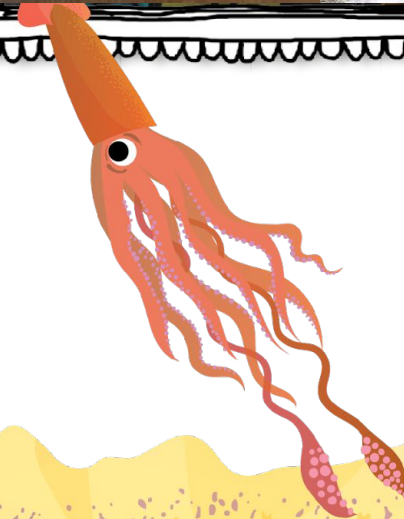

Prizes!

There will be prizes up for grabs too for:

- The person who reads for the most amount of time
- The person who raises the most money
- The person who finds the craziest place to read (take a photo and bring/send into school)

Your teacher will keep reminding you to join in... and they could win a prize too!

New books!

Here's a few examples of the types
of books we have
(there's over 3000 to choose from!)

Which of these books would you
like to see / see more of in your
school?

All of the books, none of the cost

Here's the best bit...

You get to spend ALL of the money that you raise on Usborne books, but Usborne are so generous that:

If you raise over £150, they will give you another 10% in FREE books of your choice.

If you raise over £300, they will give you another 30% in FREE books of your choice.

If you raise over £600, they will give you a huge 60% in FREE books of your choice.

Free resources!

Please check out

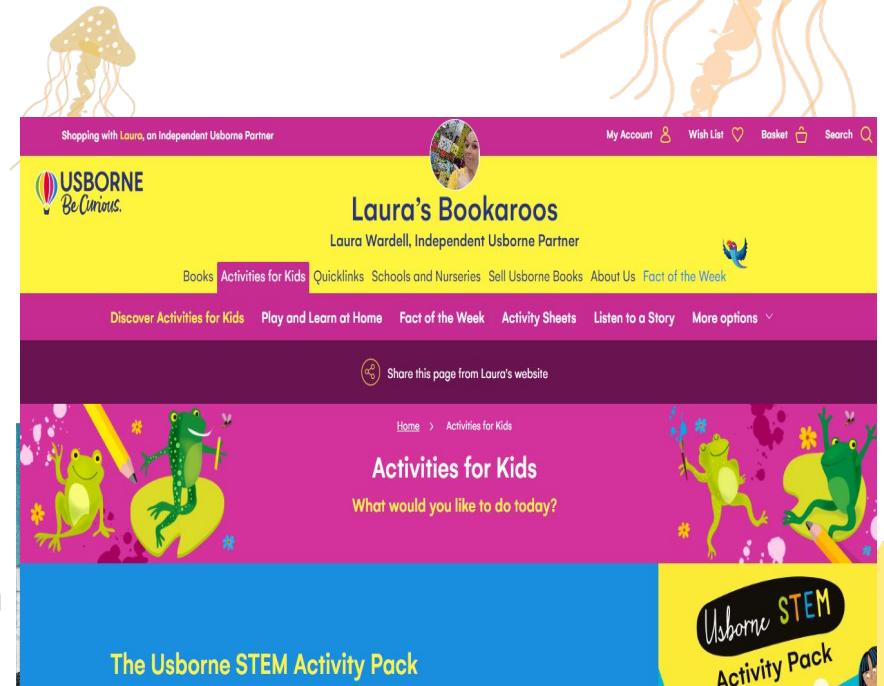

www.laurasbookaroos.co.uk

(my website!)

It has LOADS of free resources for your teachers, parents and yourselves to download and use whenever you like!

It has activities for you to take part in such as listen to a story, step-by-step drawing and videos to watch that link to our books!

Your parents can buy books on there for you too!

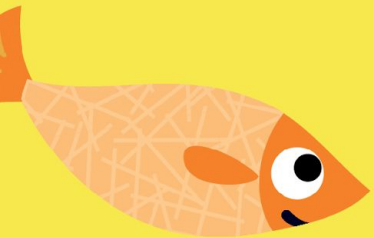

Good Luck!

Good luck for your challenge and I can't wait to hear how much fun you've had and how much you've raised!

GOOD
LUCK!

A graphic featuring the words "GOOD" in red and "LUCK!" in cyan, both in a bubbly, outlined font. A yellow smiley face is integrated into the end of the word "LUCK!".
