Dear Parents,

As we approach our exciting performance of The Wizard of Oz, it is essential that all children attend each of the three scheduled club sessions. These rehearsals are crucial, as we will be running through the entire performance each night, ensuring that every child feels confident in their role and prepared for the big show. Consistent attendance allows for smoother transitions, better teamwork, and a polished final production. We want to give your children the best possible experience on stage, and their dedication to these rehearsals will make all the difference. Thank you for your support—we can't wait to see the magic come to life!

Best regards,
Wizard of Oz Crew
