Dear Parent / Guardian

Welcome to our final term of 24/25...where has the year gone?!

MTC

The year 4 children will complete their Multiplication Tables Check (MTC) the W/C 2nd June. Children have worked hard on their recall of times tables through their Magic Maths sessions, Academic crew and via the 'sound check' on Rockstars. The MTC is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete. They will complete this in small groups with their class teacher. There is no pass mark and scores will be communicated via their end of year report.

Phonics

The year 1 children will soon be taking part in the National phonics screening. They have been working hard all year to learn the sounds they need to pass it and we feel that the children are well prepared with what they need. The screening will be delivered on a 1:1 basis by the phonics lead, who they know very well and no pressure will be put on them. It is done in a very positive way and the children should feel proud whatever their results are, which will be shared with parents and carers in the end of year reports.

Year 6

This half term is an extremely busy one for Year 6! Now SATs are over, our main focus will be on writing and ensuring the children are achieving strong writing outcomes. SATs results are released on 8th July and we will share them with the children as soon as we are able as well as on their reports.

We have a lot planned for Year 6 leavers including an off-site visit, leavers party, leavers assembly and the pass out experience! All of these events can be found on the parent dates and school calendar and will be communicated separately if they haven't been already. Similarly, there is a lot happening in terms of secondary school transition and again this has been or will be communicated as needed via your child's chosen secondary school as us where we are able.

🎉 The Crew Kitty Attendance Shop is Coming Soon! 🎉

At the end of this term, each crew will get the chance to visit the **Crew Kitty Attendance Shop**—and your child can help their crew earn big!

Here's how it works:

- If your child's crew achieves **100% attendance** for a week, they earn **Crew Kitty**.
- Each **consecutive week** with 100% attendance adds even **more** to their total.
- In the **final week of term**, crews will head to the Attendance Shop to **spend their Crew Kitty** on exciting rewards!

✅ **Help your child's crew earn as much Kitty as possible by ensuring they are in school every day.**

Let's finish the term strong—every day counts! 💪📚

🕒 Late Gates This Half Term

This half term, we'll be carrying out **Late Gates on sporadic days**.

If your child arrives late, a member of staff will be there to **have a friendly chat** and see how we can **support you and your child** in arriving on time.

Our aim is to work together to help every student make the most of their school day. Thank you for your continued support!

Why Being on Time Matters

If your child arrives late to class, it can have several negative effects:

- 🧠 They **miss out on important learning**, which can impact their achievement.
- 🙋 They **miss valuable social time** that helps them settle into the school day.
- 😞 It can be **embarrassing or unsettling** for them to walk in late.
- 📚 Their late arrival may **disrupt the learning** of the rest of the class.

Being on time sets a positive tone for the day. Thank you for supporting punctuality—it makes a big difference! 🕒✨
