Y3/4 Crew 2025/2026

Green Top

Year 4 Teacher - Mr Chris Mumby

Y3/4 phase lead - Maths Lead - Crew Lead - Assistant Head

I enjoy anything sport related: either watching or playing! Football is my main passion outside of teaching. I play for an over 36's team and participate in the annual Eve Merton Trust 'Legends' game at the Eco Power Stadium. My favourite teams are Manchester United and Hull City- I try to see as many games in person as possible. I also have two young children of my own that keep me extremely busy at home- they are 9 and 2 years old. We enjoy parks visits, swimming and getting outdoors!

Green Top is one big family that I feel proud to be a part of. There are many things I love about Green Top, so here are a few:

- The enthusiasm and engagement of the children in our school- they never stop amazing me!
- Our amazing 3G pitch; It allows us to play a range of sports throughout the whole year.
- Our staff! Everyone is so kind and welcoming- it's a great place to work.
- Our expeditions- something unique to the XP Trust. I am really proud of our community driven products. I am immensely proud of the work that the children have produced in recent years!
- Finally, I love that everyday is different and brings a new opportunity or challenge.

Year 3 Teacher - Mrs Claire Dutton

Instructional Lead - Feedback and Marking Champion - Coaching Champion

I am originally from Gateshead, close to Newcastle, but have lived in Doncaster for almost twenty years now. I live with my husband and our two teenage children. As a family, we enjoy days out to the beach or long walks in the countryside. We also try to go to the cinema or bowling now and again as well. When we can, we love to visit our family in the North East or go on family holidays together - anywhere near the sea will do!

I have been a teacher at Green Top for five years now, having spent 6 years teaching mainly in Year 2 at a different school in Doncaster. I decided to join Green Top after being excited by the school's commitment to character development and its link with XP's expeditionary curriculum which is focused on creating real-world influence. Since joining Green Top, I have worked in both KS1 and KS2 and have been impressed by the collaborative nature of crew and how determined and resilient so many of the children are in their learning.

I have really enjoyed teaching in Year 3 this past year and I am looking forward to continuing this in 25/26. Year 3 expeditions are fun and varied so we are always learning lots of new things!

Year 3 Teacher - Miss Robyn Cooper

When I'm not at GreenTop I love spending time with my family and friends. I love being outside (only when it's sunny) or having a lazy day watching a good box set. I enjoy going out for tea. My favourite cuisine is Indian!

I have worked at GreenTop for nearly 10 years now. I started as an apprentice learning coach at the age of 16. Over the years I've been able to observe amazing practice in all of my roles and have been supported by my colleagues in all of my training.

I love how up-to-date Green Top is with their policies and practices. The restorative practice that Green Top uses gives the children more of an opinion and an outlet in which they have a voice. I love the expeditionary style learning and feel that the final products that the children create gives purpose to the learning.

I'm excited to be moving up to year 3 with current year 2 children! I can't wait to see what fun we have!

Year 4 Teacher - Miss Sarah Walton

I am so lucky to have two beautiful daughters and together we enjoy travelling, walking our dog, baking and watching films. I enjoy being busy, especially going to concerts and shows, but I love chill out time too and can often be found curled up on the sofa with a good book.

I love working at Green Top because the children here really do have a voice. Every part of every day revolves around the well being, learning and enjoyment of each child. Here, nobody is different because we appreciate that everyone is an individual. As adults, we all work together through fun times and challenging ones with the same goal in mind...to ensure that each child strives to be their best self.

Having spent two years teaching Year 5, I am really excited to work with the Year 4 children and cannot wait for our adventures!

Crew Leader / LC - Mr Michael Overson

There are a lot of things I love doing outside of school mainly going out with friends and family. I like being out of the house and being busy. I enjoy going on holiday, my favourite place is definitely Las Vegas.

I am four years into my journey at Green Top and I am still really excited. I went to school at Green Top myself and the changes to the school have been amazing like the 3G pitch which allows a lot more activities and sports to be played. I love how the kids are happy to be apart of Green Top and enjoy coming to school each day. Crew gives a place for every single child at Green Top and leaves no one behind and everyone feels like they are welcome in the school. I can't wait to continue the journey next year!

Crew Leader / LC - Mrs Simoné Rayner

Champion of the Arts

Family time is my favourite thing, I have two little girls aged 9 and 8 and we love spending quality time together, creating new memories by going on lots of different adventures. Our biggest and most favourite adventure is Disney World Florida, we are all Disney lovers! My girls keep me occupied at weekends with their hobbies of dancing, drama and gymnastics. In my spare time away from work I teach my Zumba class three times a week, and I am currently studying to be able to gain my HLTA status by the end of the year. I enjoy going to the theatre and have a passion for dance.

Green Top is an amazing place to work, the children are incredible and make the school what it is. The staff are supportive and a great 'CREW' to be a part of.

Each member of staff is fully dedicated to ensuring that the children are given the most enjoyable learning journey, by fully immersing them into each expedition with amazing creative ideas, making the learning journey memorable for each and every child.

Learning Coach - Miss Emma Kelly

There are lots of activities I enjoy doing outside of school which include enjoying quality time with my 10 year old son. I love to take him on new adventures and introduce him to different places. Some of my hobbies include swimming, running and reading.

I started at Green Top in January 2022. I love the immersion around our expeditions and creating our products at the end of the term is something I really enjoy.

I also love the crew aspect of Green Top. I am looking forward to starting the new school year.

Learning Coach - Mrs Kelly-Marie Turpin

Hiya kiddies my name is Mrs Turpin. I love spending time with my family and trying new foods and going to different places. I absolutely love watching movies.

I love working at Green Top. I have been here since leaving school and over the years my confidence has grown due to the support of the Green Top staff members.

I always have the child's interests at heart and I am very nurturing and caring with all children. I can't wait to start getting lots and lots of qualifications so I can become the best I can be for the children!

Additional Staff Who might help me

SENDCo - Mrs Faulding

I have two little boys- Benny (8 years old) and Cooper (4 years old) - who keep me very busy and on my toes! We love to go exploring together; visiting the seaside, going to theme parks and spending lots of quality time together at home. As well as spending time with the boys, I love meeting friends for delicious food and a catch up, mainly italian - yummy! I also love taking my dog Wallace for a walk in the woods and listen to some music. This really helps me to keep my emotions in green zone!

This will be my 9th year at Green Top and each year, my journey here just continues to get better- I love it!

I feel incredibly privileged to be part of such a nurturing and inspiring school community—one that truly prioritises the needs of every child and offers exceptional, enriching experiences to support their learning journey. It has been a joy to help embed CREW into the heart of our school culture, and to witness our children consistently supporting and uplifting one another—working hard, showing kindness, and striving to be their best selves against our character traits. It's such a special place to be.

Since beginning my role as SENDCo at Green Top in August 2022, I've thoroughly enjoyed working with children and families in a new and meaningful way. I'm excited to continue this work, shaping our SEND provision and culture so that every child has the support they need to thrive and grow with confidence.

Assistant SENDco - Mrs Karen Cook

Wellbeing Champion

I am a mum of two grown-up children who also attended Green Top School. I have a passion for travel and enjoy discovering new places, so I am always looking forward to planning my next holiday. In my spare time, I enjoy going to the cinema, engaging in arts and crafts, and spending quality time with friends and family.

I have had the privilege of working at Green Top School for many years and continue to be inspired by the warm, welcoming environment and the strong, positive relationships that staff build with the children. As a school, we are deeply committed to improving outcomes for all learners and work collaboratively as a team to help every child achieve their full potential. Green Top's nurturing ethos is something I am particularly proud of. The wide range of enriching experiences we offer play a vital role in supporting both academic and personal growth.

In 2021, after many years working in the Early Years Foundation Stage, I was proud to take on the role of Assistant SENDCo. This role reflects my deep commitment to inclusive education and my passion for supporting our most vulnerable learners. I am dedicated to helping children navigate challenges, providing consistent, tailored support, and ensuring they thrive in a safe, inclusive, and encouraging environment.

Learning Coach - Miss Emma Roe

Hi everyone I'm Mrs Roe. My favourite things to do are going walking in the countryside and exploring new places with my family and if I get the chance camping in these new places. I also enjoy paddle boarding and swimming.

I've worked at Green Top since 2016 and have seen many positive changes whilst working here. My favourite thing about our school is our immersive environments and seeing the children's look of amazement at the start of every expedition as they grow in confidence and make memories whilst exploring their new environments.

Learning Coach - Mrs Louise Lake

I have two grown up children who both attended Green Top. I love spending time with my family and friends going on days out to farms, theme parks, swimming etc. As a family we enjoy going on holidays and weekends away visiting different places. I also enjoy going for walks with my dog Molly.

I recently joined the send team at Green Top in the umbrella room. I love supporting our most vulnerable children and seeing the progress they are making, every day is different and I enjoy every minute of it. The thing I love most about working at Green Top is being part of a caring and supportive team both for the children and each other.

EWC/DDSL - Mrs Toni Fitzpatrick

Wellbeing Champion - Attendance Champion

I have three grown-up children and two dogs called Wini and Wilf. I enjoy family surfing holidays in Cornwall — especially when it doesn't rain! I love spending time with my family and making special memories together.

My must-do thing each day is to have a pot of tea in the morning — it sets me up for the day!

I have been at Green Top for a long time and still absolutely love being here. The children are wonderful — each one is special in their own way. At Green Top, we place great importance on meeting children's emotional needs. This is especially vital for those who may be going through difficult times, such as bereavement, which can have a real impact on their school life.

Green Top is a restorative school, which means we use a consistent and fair approach when addressing any issues. We always listen carefully to our children, ensuring everyone feels heard and that problems are resolved fairly.

Above all, at Green Top, our children have a voice — and that's something I believe is *very* important.

DSL - Miss Rebecca Carter

EYFS phase leader - Designated Safeguarding Lead - Assistant Headteacher

Moments with my caring family and beautiful friends fill my life with happiness. Travelling, making memories and sharing the special times are what I love. This may be holidays, time away with my partner, a quiet walk with my Cocker Spaniel or a good meal out with a cocktail or two! I love to read, listen to music and go to concerts-live music!

After beginning my career in many roles within early years; I began my teaching journey at GreenTop, 11 years ago. I joined as an NQT and worked across the EYFS and I have had the best journey! This has included; the school community becoming my work family, seeing a beautiful nursery extension 'The Lilies' being built and many special learning opportunities as we have evolved our expeditionary curriculum.

There have been masses of exciting opportunities that I have been able to explore, developing my love for teaching in the early years and development as a leader in school.

HLTA - Mrs Andrea Hardman

Music and French Champion

I enjoy going to the cinema and going out for meals with my family. My favourite place to eat is Nandos. I love to watch my sons play football but my favourite thing is spending time with my three beautiful grandchildren.. My favourite hobby is cycling in the summer and my most treasured possessions are my family and my bike.

I have worked at Green Top for many years and have loved every minute of it. I love the break out areas children can work in during lessons which are decorated and linked to our expeditions to stimulate their learning. I also love the music and sports facilities that are available to the children, especially the 3G pitch and the numerous sports teams which go out and represent our school. My favourite lessons to teach are Music when I get to hear the children come together and sing and play as beautiful ensembles and French where I see the children gain enough confidence to speak in a different language. Above all I love our Green Top children as they never fail to impress me, inspire me and make me smile every day.

HLTA - Mrs June Miller

Magic Maths Champion

XP.
TRUST

I enjoy spending time with my family and my new granddaughter. In the summer we get together for BBQs on most weekends. This isn't always possible due to us all working shifts, so time as a family is valuable and precious. Also I try and spend time with my parents, taking my mum out shopping and going on holiday together.

What I love about Green Top is the opportunities it has given me over the years to further my career. This is due to supportive, helpful team members I work with. Green Top has given the children some fantastic trip experiences, which I have been fortunate to go along. The approach to learning over the years whilst I've been here has been made more exciting for the children by having break out areas linked to their expeditions. The school offers lots of after school clubs which is great to be involved with as I get to work and talk to children who I may not see through the school day. I love how we as a school have involved the local community in exciting events over the years. Our school in my opinion is warm, friendly and welcoming. I absolutely love my role at Green Top and what I have achieved here, seeing the children every day makes me smile and I am proud of what they achieve.

HLTA - Mrs Bev Green

Art Champion

I enjoy being in the outdoors, walking, cycling and gardening. I love going on holiday and visiting different places.

I have worked at Green Top for many years. I love my role because it provides me with the opportunity to work with lots of different year groups and staff.

We have great sport facilities available to the children, which provides them with a variety of experiences, building their confidence and team spirit enabling them to represent Green Top in a range of sporting events.

XP Outdoor Lead - Mr Rory Kershaw

I enjoy the great outdoors and going on adventures in the wilds of the world. I have been part of the world wide family of scouts for nearly 20 years now, a leader for over 5 of them. Scouts has taken me all over the world meeting amazing people, giving me skills for life and memories to last a lifetime. Learning, adapting and teaching every new skill scouts have to offer.

As much as I enjoy all the adventures, I love a night out with friends even if it means winning a pub quiz or two, My favourite book is the hobbit, it comes on all my adventures

I have been a member of Crew Green Top for 8 years now and love every minute of it. Green Top is an incredible place to be everyday when work hard, be kind you get smart. I love how our students have a significant role in the schools leadership by the power of child led learning, school council, the learning council, the school ambassadors, the playground leaders and so on. For me one the best thing Green Top provides is our XP Outdoors Programme. Outdoor sessions can enhance a child's learning journey. From promoting outdoor wellbeing to hands-on tool work, fire lighting and camping. The XP Outdoors offers invaluable experiences to both students and staff.

Admin - Mrs Maryanne Woodroffe

I enjoy spending time with my family and friends. I like going on walks and holidays as well as doing arts & crafts in my spare time.

I have worked at Green Top for over 25 years. I love working at Green Top because it creates a diverse environment which is affluent in opportunity for young minds to grow. The school provides a great atmosphere for children and staff alike to grow and learn, being part of that is something very rewarding.

Headteacher - Mrs Kelly Overson

Above anything else, I love spending time with my family and friends making memories! I love to go on long walks especially near the sea! More recently I have started swimming which I am really enjoying! I find that this is a time where I can clear my mind and feel refreshed for the day ahead! As a family we enjoy going on holidays in America. New York and Las Vegas are my favourite destinations, especially because of the shows, food and shopping!

I started my journey at Green Top in 1997 as an apprentice! During these 28 years I have worked as a Learning Coach and an HLTA which I truly loved! I was lucky enough to complete my teacher training at Green Top and a year later I became Maths Lead followed by Assistant Head. I have loved every minute of my time at Green Top and I am now proud to be the Headteacher of this amazing school. The culture at Green Top has always been strong, there is just something about our community that pulls everyone together! This is strengthened by crew, something I feel strongly about! Everyone wants to do the best for our children and community and I couldn't ask for a better place to work!
