Dear Parent / Carer

Welcome back, everyone!

We hope you enjoyed a wonderful summer break filled with fun and special memories. We have loved hearing all about your adventures this week and enjoyed reading the holiday check out comments!

Once again, the first week has been all about helping our children to settle into their new crews—building teamwork, establishing classroom routines, and fostering strong, positive relationships. We are truly excited to have them back and begin what we know will be another amazing year at Green Top!

Our Green Top camp is already off to a fantastic start with lots of exciting activities underway. And of course, we're all looking forward to Friday's Water Extravaganza!

### Lost Property

We still have a large amount of lost property 'personal items' such as coats and bags that we'd like you to check before we donate to the local uniform banks. This will be placed in the Gazebo on the KS2 playground. Please check through it this week!

### Have you seen Mrs Spetch's blog regarding student leadership?

### Relish

We have been made aware that you have experienced difficulties logging into Relish to access menus and select your child's lunch. I will contact Relish to see how we can resolve that matter and communicate this with you soon.
