

# OUR GOALS

Football is the fastest-growing sport for girls, and we want to make sure they have every chance to be part of it here at Club Thorne Juniors.

These taster sessions are all about breaking down barriers and giving girls the opportunity to try football in a fun, supportive environment.

- Get more girls involved in football at a grassroots level.
- Show that football is for everyone, no matter your background or experience.
- Inspire the next generation of female players to enjoy the game, stay active, and be part of a team.
