School Curriculum Intent: To empower pupils to understand and interact positively with the world around them.

The Pathway through Bamburgh's Curriculum

All class groups are assigned to a different stage each year, forming a pathway through the curriculum which may be either **Core**, **Core+**, **Core++**(in secondary department only) or a mixture of these. Individual pupil pathways are tracked. In this way, a pupil's pathway through the curriculum is sequenced and ordered,

Whilst the unit title may be the same for more than one pathway, the knowledge taught will be different.
