Attainment Data Year 2020-21

Bamburgh School Attainment Data Summer 2021

In Key Stage 4 we ensure that we offer a varied curriculum to meet individual needs, to support progression and aspirations.

Working with a range of awarding bodies, students are able to study a range of academic and vocational courses from Year 10.

Qualification this year were assessed by teachers using a variety of evidence, the pupils were given; mock exams, in class assessed tasks. We were asked to submit evidence for GCSE Maths and GCSE Art the marks were agreed by the examination board.

We have Centre approval with the Awarding Bodies below;

- AQA
 - GCSE (English Language, English Literature, Maths, Science, History, Art and DT)
 - Entry Level (English, Maths and Science)
- Pearson
 - (ITQ level 1 Award)
- NCFE
 - Level 1/2 Music & Performance

To bridge the gap between GCSE and Entry Level in mathematics the decision was made to add the functional skills mathematics qualification delivered using NcFE. This qualification has 5 levels from ELC 1 up to level 2. This has allowed pupils who are unable to access the GCSE qualification to leave school with practical maths qualifications.
