

Learning

Progression in PATH EYS KS1 KS2

The Journey begins...

All children will have a purple PATH file which follows them on their school journey.

Students will be supported by teaching teams during their journey through Early Years to KS2. The teaching and support staff will quickly build a relationship with the children they teach.

PATH lessons are timetabled for up to 1 hours every week.

Students will follow a program focusing on 'Thinking, Caring, Relating, Being and Living', these will be on a carousel from Reception to y6.

New skills

Students will be encouraged to develop all new skills they discover in school at home.

wash your hands!

Hygiene

Children will learn about the importance of Hygiene & Well-being

Health

Health and hygiene will play a part in their curriculum along with healthy lifestyles (Diet, Sleep, Teeth, Exercise) self-esteem and managing feelings.

KS1

The Body

Children will learn about their bodies, how they grow and develop and the emotions which go with puberty

Personal, Aspirations, Teamwork and Health

EYS

GOOD JOB!

Resilience will be a life skills developed their whole time in Bamburgh School.

stay healthy helpful & calm

Aspirations

Students will start to think about their aspirations for their future and potential careers. They will be introduced to different sectors of employment and start thinking about what jobs are.

Communication

Children will start to build an awareness of how to stay safe online and what to do if they are worried about things they see or asked while online.

KS2

Students will gain transferable skills, knowledge & understanding which they can use across all subjects.

FAMILY

Family plays a huge role in the student's development as they look at what makes a family and that all families are different. We look at how relationships are nurtured.

Caring and Showing Concern

Students will be supported in exploring how we care for other living beings, human, animal or plant. They will be given opportunities to interact with animals and plants in a safe manner.

Social Skills

Students will be encouraged to develop their social skills, through play, lessons and eating together as a class. Students will learn by adults modelling the behaviour, experimentation and personal growth.

KEY STAGE 3

End of Key Stage 2

Students will complete KS2 before moving into the Secondary department. Students will be given a tutor who will remain as their point contact from year 7 to year 11.
