

Key Stage 3 Homework - Terms 1 and 2

The 4 week timetable as it stands does not lend itself to a consistent homework timetable and is therefore a significant barrier to developing and maintaining positive and consistent homework activity and expectation for students. Many classes could have significant periods between lessons and therefore homework. This will be difficult for students and teachers to manage.

For term 1 and 2 all Key stage 3 students to be set weekly homework tasks on a subject rotation basis. See grid below two subjects per week plus Maths and literacy.

	Year 7	Year 8	Year 9
Weekly	Literacy task (20 minutes)	Literacy task (20 minutes)	Literacy task (20 minutes)
	Maths 40 minutes per fortnight	Maths: 40 minutes per fortnight	Maths: 40 minutes per fortnight
	Art: 2 Homeworks per term. This would be set to allow continuity with the thematic project covered within art lessons	Art: 2 Homeworks per term. - All homework tasks and deadlines will be communicated via Satchel:One (Show My Homework).
- It is expected that the majority of these tasks will be submitted electronically.
- Students must follow the instructions given on Satchel:One. Any questions should be directed to their tutor in the first instance, in their daily tutor session
