14th December 2020

Dear Parents / Carers

Reporting Positive Covid-19 Cases over the Christmas Holiday

You may be aware that all schools have been instructed to inform anyone who has been in close contact with someone who has had a positive Covid-19 test, to self-isolate.

If anyone in your house tests positive you will only need to notify the school if **symptoms emerged** between 1.30pm on Friday 18th December and 1.30pm on Sunday 20th December.

To advise the school of a positive test please email admin@rednockschool.org.uk. This inbox will be monitored daily at 11am. It will not be monitored after 11am on Thursday 24th December.

If, as a result of a positive case within the school community, your child is required to self-isolate, you will be contacted by the school via both a text and email message advising you of this.

Thank you for your co-operation and support with this instruction.

Yours sincerely

David Alexander
