4th October 2021

Dear Parent / Carer

Science Revision Guides – Year 10 and Year 11 Students

We are now part way through your child's chosen Science course and we would like to offer our students the opportunity to purchase revision materials through the school at a reduced cost.

If your child wishes to use a revision guide, the department recommends the Collins AQA GCSE 9-1 revision guides as they are good value for money and provide clear explanations and plenty of practise questions. A set of Triple Science revision guides cost £7.50 and a Combined Science revision guide costs £3.25.

If you would like to purchase any of these guides from the school, please complete the following [Google Form](#) by **Friday 15th October 2021**. Payment can be made via ParentPay and will be due by **Tuesday 19th October 2021**. After this date the books will be ordered and no further payment will be accepted. If you are unable to pay via ParentPay please email admin@rednockschool.org.uk to arrange alternative payment method

If your child is in receipt of the Pupil Premium fund, the school will be pleased to cover the costs of any revision materials they require, however, you still need to complete this form so that we can order the correct books for them.

Yours faithfully

Dr Helen Craig
Head of Science

Head Teacher - David Alexander BA (Hons); MSc
