Dear Parents / Carers

## **PARENT GOVERNOR ELECTION**

The School currently has vacancies for **two** Parent Governors which we would like to fill as soon as possible.

Parent Governors are elected by and from the parents / carers of children currently attending our school. They serve a four-year term of office and bring a very important and valued perspective to the work of the Governing Body.

The Governing Body has a vital role to play in making sure every child receives the best possible education. This is achieved by ensuring that governors have the necessary skills and commitment to contribute to the effective governance and success of the school. The particular skills that governing bodies need will vary and will include personal qualities and capabilities, such as the ability and willingness to learn and work as part of a team.

It is expected that governors will make use of the various training opportunities available to them and play a full part in the work of the governing body.

If you have an interest in Secondary Education, an understanding of the principles of good corporate governance and would like to learn something new and give something back to the community, then being a school governor may be for you.

To apply, please complete and submit the attached [nomination form](#) by 12.00 noon on Friday 5<sup>th</sup> November 2021. A paper copy of the nomination form may be requested from the school office, if preferred.

Please note self-nomination is acceptable.

If there are more nominations than vacancies, an election will be held and parents / carers will be sent a voting paper.

Further details regarding the work of a school governor can be found on the Gloucestershire County Council website at: [www.gloucestershire.gov.uk/education-and-learning/become-a-school-governor/](http://www.gloucestershire.gov.uk/education-and-learning/become-a-school-governor/).
