Dear Parents / Carers

**Year 9 – Key Stage 4 Options Information Evening – Thursday 17<sup>th</sup> March 2022**

The Key Stage 4 (KS4) options process is hugely important in the school calendar, setting the path for students for the coming years and allowing them for the first time to focus on the subjects which they most enjoy. Over the next few weeks Year 9 students will be making important decisions in their education, and beginning to plan for their future career.

The Key Stage 4 Options Information Evening is being held at Rednock School on **Thursday 17<sup>th</sup> March 2022** and Year 9 students are invited to attend with a parent / carer. The evening is designed specifically to provide information on courses new to students as well as subjects that students have previously studied at Key Stage 3. Teaching staff will be available to answer specific queries relating to their subject and members of the School Leadership Team will also be available to answer general questions. The Key Stage 4 Options Booklet will be given out in hard copy during the evening.

In order to mitigate the risks posed by Covid-19, we will be operating at staggered start times to manage the large number of students and parents / carers.

**Brunel & Darwin Communities at 5.30 - 6.45pm**

**Hubble & Jenner Communities at 7.00 - 8.15pm**

Please click [here](#) to download the KS4 Options Programme. We do ask, where possible, to limit your visit to 2 attendees (1 parent / carer and 1 student), as we would like everyone to feel as safe as possible.

We have put together a series of events to ensure that students are well prepared to make sound choices. Below you can find the key dates in this process:

Date	Event
