

## A READER

The reader is an adult who will help you read the exam paper.

The reader may be someone who will read just to you, or you might share a reader with other students, asking for help when you need it.

You will be working in a room separate from the main hall.

You can ask the reader to:

- Read all or part of the examination paper, as many times as you like.
- Read back any of your answers.

The reader cannot:

- Read any of the questions or passages to you in a paper that is testing reading eg. the reading papers in English and Modern Languages
- Explain or clarify any of the paper or questions - they can only read words for word from the paper and will only re-read if you ask them to.
- Help to choose which questions to do.
- Tell you when to move on to the next question, or in what order to do the questions.
- Read or explain symbols and abbreviations eg.  $5^2$  > - they can only point to them.
