Dear Parents/Carers

As we approach the end of the academic year, I am delighted to reflect on the past months and the journey we have shared. It feels like only yesterday that I introduced myself as the new headteacher of the school, yet here we are, a full year later.

With the summer break fast approaching, I want to extend my heartfelt thanks for your support and to all of our students who have worked so hard across the academic year. I will take this opportunity to outline the arrangements for our final day of term and provide important information regarding the school's return in September.

Friday, 19th July - Final Day of Term:

- After completing lessons and celebrating our 'Community Champions' in the final assembly, the school will close at 12.45pm to students
- School buses have been arranged to collect from this time
- There will be an extended break from 11.05am during which students can purchase food and collect lunches.

Across the Summer:

While staff will be on-site throughout the summer to supervise reception and coordinate various site improvements, teaching staff will not be routinely available.

Key Dates:

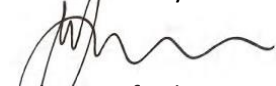

- **Thursday, 15th August - [A Level Results Day](#):** Staff will be present to support students receiving their results.
- **Thursday, 22nd August - [GCSE Results Day](#):** Staff will be in school, available to support students receiving their results and assist with Sixth Form enrolment.
- **Monday, 2nd September - Staff Inset:** The school reopens for **staff only**.
- **Tuesday, 3rd September - Year 7 & 12's Return:** School reopens for **Year 7 & 12 students only** to support their transition.
- **Wednesday, 4th September - School year commences:** The school reopens for all remaining students. Normal school timings apply.

When September arrives, please ensure your child returns to school in full uniform, equipped with the necessary materials to learn effectively. They should pack for Week A on their timetable. Please note the [new school day timings](#) apply from the 1st September 2024; unless arriving by early bus or attending breakfast club, the school building opens to students from 8:20am.

This year has been incredibly rewarding, exciting, and yes, exhausting! I am grateful to every member of the Rednock community for their warm welcome and tireless efforts to improve our school. Our students are amazing - as a reminder, you can see what they have been up to across the year by revisiting our [Rednock Reviews](#).

I wish you all a well-deserved and joyful summer break. See you in September!

Yours sincerely

Mike Stratford
Headteacher
