

Rednock School
Where everyone matters

REDNOCK SCHOOL

I am **M**otivated

“The school teaches pupils that ‘everyone matters’. It is a warm and welcoming place where everyone is accepted for who they are.” Ofsted

WELCOME TO OUR SCHOOL

Welcome to Rednock School! We warmly invite prospective students, parents, and our wider community to learn more about who we are and what we stand for.

At Rednock, we believe that everyone matters. Our mission is to inspire and motivate our students to be ambitious, both for themselves and for each other. We are a school deeply rooted in our community, where staff and students are tenacious about making a positive impact on the world around us. We strive for excellence in everything we do, taking responsibility for our futures, each other, and the community we serve. We are dedicated to delivering an exceptional education that allows our students to explore their curiosities, opening doors to endless possibilities. Our school fosters a culture of respect, where tolerance and kindness are essential to our collective happiness and success.

Through outstanding teaching, compassionate pastoral care, and a vibrant range of extracurricular activities, we provide every student with the opportunity to realise their potential. We are ambitious for our students and understand the importance of academic achievement, yet what truly sets us apart is the strength of our relationships and the depth of care within our school community.

Choosing the right school is important. At Rednock School, you'll immediately feel the sense of belonging and we would be delighted to welcome you as part of our inclusive and dynamic community in the near future.

Mike Stratford
Headteacher

“My Year 7 child had a fantastic first day, all was smooth and easy. Extremely well organised. So pleased we chose Rednock as a school.” Year 7 Parent

I am Ambitious

At Rednock School, we hold the highest ambitions for your child. Our students are encouraged to develop their knowledge and skills within a supportive and nurturing environment. They are inspired to think independently and embrace the challenges set by our dedicated teachers.

We back this commitment with a thorough and ongoing staff development process for our staff, ensuring that teaching standards remain exceptional.

I am Tenacious

“The curriculum is enriched through trips and competitions.” Ofsted

We believe that a great education extends beyond the classroom, and are committed to offering our students a broad array of enriching experiences. From curriculum-based trips and international visits to theatre productions and sports fixtures, we provide opportunities for our students to tenaciously pursue their passions, whatever they may be.

As he got off the coach on his return back to Rednock, his face said it all: “Mum it was awesome and the staff were amazing.” Year 9 Parent

I Take responsibility

“Within each tutor group the school created supportive families.” Ofsted

A strong sense of responsibility toward our community and those around us lies at the core of our pastoral program.

Every student is part of one of our four Communities each of which is led by a dedicated Community Leader supported by a team of tutors, support staff and senior prefects.

Students belong to mixed age tutor groups, which foster a supportive family-like environment. All four communities are united by a shared purpose and a common set of values. We take pride in this spirit of community and shared responsibility, where the unique contributions of every individual are appreciated and valued.

“Her tutor made her feel at home very quickly and he has helped her confidence to grow through the past two years.” Year 8 Parent

I Explore my curiosities

We are committed to providing a broad and balanced curriculum that encourages students to explore their curiosities. Our high standards drive continuous improvement so that we can meet the individual needs of our learners.

At the heart of our approach is inspiring teaching and learning, which are fundamental to delivering an engaging and well rounded educational experience.

We call this The Rednock Way. Our commitment to you that your child will experience an inspiring curriculum, delivered through excellent teaching and learning practices.

Explore our Curriculum:

“Pupils behave well in lessons and around the school. There are clear routines and expectations.” Ofsted

We achieve this by upholding the highest standards of behaviour.

This is supported by clear routines and expectations which help to build a harmonious community and an effective learning environment.

Understanding that each individual faces unique challenges, we have a highly committed Special Educational Needs team dedicated to supporting and encouraging every child to reach their full potential.

A photograph of three students in school uniforms walking in a hallway. The student on the left is a girl with red hair in a ponytail, wearing a blue V-neck sweater over a white collared shirt and a green tie. The student in the middle is a boy with brown hair, also in a blue V-neck sweater, white shirt, and blue tie. The student on the right is a boy with brown hair and glasses, wearing a blue V-neck sweater, white shirt, and blue tie. They are all smiling and looking towards the right. The hallway has a curved, white ceiling with recessed lighting.

I am Respectful

“The high profile of support for mental well-being has been reassuring and much appreciated in the community.” Year 11 parent

Rednock School
Where everyone matters

Inspiring our students to be:

- Motivated
- Ambitious
- Tenacious
- Taking Responsibility
- Exploring Curiosities
- Respectful
