Calculators can be used in ALL exams unless otherwise stated on the Exam Paper Instructions.

Sshh!

There is absolutely no talking or communicating in any way between students once you enter the exam room. If you have any questions, you should raise your hand once seated and an invigilator will come to you.

No food is allowed in the exam room (if you have a special medical requirement – please see Mrs Sellar (Exams Officer) in Room 127 before the exams).

Read all instructions very carefully, paying particular attention to whether you have to answer all questions or choose questions about subjects you have studied. It is a good idea to look through the whole paper first, ensuring you turn all pages and do not miss any questions. Use your time wisely and ensure you keep an eye on the clock.

If you have any concerns regarding your exams please see Mrs Sellar, Exams Officer in Room 127. Or email: sue.sellar@rednockschool.org.uk
