

Rednock School
where everyone matters

Proposed Policy:	Uniform Policy	Responsibility Of:	Kerala Cole
Date of Ratification:	July 2024	Date of Review:	July 2025

A Rednock School Everyone Matters and we believe that this starts with having high expectations for their daily engagement so that they can get the very best out of school. We expect the students to come to school ready to learn, looking smart and fully equipped for the day. Our uniform gives our school its identity and we expect our students to wear it with pride. To maintain these standards, this guide outlines our expectations to ensure that our students feel part of our community, are equipped and ready to learn, and make the best impression on everyone they meet.

School uniform is compulsory for all students in Year 7 to Year 11.

A high standard of personal appearance is expected of, and from, all students. Through our uniform policy and dress code we aim to:

- Encourage pride in the school
- Encourage a sense of equality and cohesion
- Protect students from social pressures to dress in a particular way
- Support teaching and learning
- Provide a safe and secure environment in which students learn how to dress appropriately.

In these ways, the uniform and dress code supports the overall aims of the school.

It is the students' responsibility to ensure they conform to the standard of dress required by the school. Students may be asked to borrow items or directed to learn from the school's internal exclusion room if unsuitable garments cannot be removed or a replacement cannot be found within school.

Uniform Grants

Low-income families with students transferring from primary to secondary education are entitled to apply for a uniform grant. An application form can be found [here](#).

Personal Belongings

Students and parents are advised that expensive items such as high-quality mobile phones, apple and android watches, fitbits, etc should **not** be brought into school. If they are brought in, then they are at the owner's own risk. The school cannot be held responsible for any damage or loss to personal property whilst on school site. artificial surface. For safety reasons all jewellery is expected to be removed during physical education lessons.
