

Post-results services – summary guide summer 2025

If you're unhappy with an exam result, there are options available.

If you're a learner, the best thing to do is to speak to your school or college about your options. You might decide to see a copy of your exam paper, ask for a review of marking, or resit the exam.

Post-results services process flow charts on pages 2 and 3:

Access to scripts

Request access to scripts (marked papers) on Centre Services to decide on reviews of marking and to support your teaching and learning.

Access to scripts (marked papers) services are free for a [priority copy of marked paper](#) and our [standard copy of marked paper](#) services.

We'll email Exams Officers when the marked paper is available on Centre Services.

Marked papers will show the learner's written answers and the examiner's comments and marks.

Deadlines for access to scripts (marked papers) requests:

- **28 August 2025** – priority copy of marked paper (AS, A-level, AQA Certificate Level 3, Applied General qualifications)
- **4 September 2025** – priority copy of marked paper (GCSE)
- **31 October 2025** – standard copy of marked paper for teaching and learning purposes

Tip: if a university or college place is pending, go straight to priority review of marking.

Review of marking

If you're concerned that the examiner has made a mistake marking your learner's script, you can consider requesting a [review of marking](#). If a review of marking leads to an overall subject grade change, we will not charge for it.

Remember, there is no grade protection for reviews of marking. This means that learners' marks and subject grades may be lowered, confirmed, or raised as a result. You must seek each learner's consent before submitting a request.

Deadlines for review of marking requests:

- **21 August 2025** – priority review of marking (AS, A-level, AQA Certificate Level 3, Applied General qualifications)
- **25 September 2025** – review of marking (standard service) (for all qualifications).

Data Insights

This year, we have replaced our Enhanced Results Analysis (ERA) platform, with our new and improved platform – Data Insights.

Just like ERA, [Data Insights](#) will allow you to dig deeper into your results and see how your school, subject, class and individual learners have performed.

You can download results into a spreadsheet and review graphs for teaching and learning purposes and use these in your school SLT reports.

Missing results

Exams Officers can email us to query any [missing or incomplete results](#):

- **No Result (X)** – learner was absent for all parts of the exam
- **Pending (Q)** – no result has been issued as the marks for one or more components of the exam are not available.

We'll investigate this as quickly as possible, and let you know the outcome. We'll update Centre Services within 24 hours and tell UCAS if necessary.

Tip: please tell us if there are any missing A-level results - we'll always prioritise results where a university or college place depends on the outcome.

Review of moderation

If your school or college's internally assessed non-exam assessment (NEA) mark was adjusted during moderation, you can request a [review of moderation](#) on [Centre Services](#) to check the assessment criteria was applied fairly, reliably and consistently to the national standard.

- A review of moderation is only available for the full cohort in a subject. Individual learners cannot apply.
- A learner's mark cannot be lowered as a result of a review of moderation for this exam series, however, should the result be used in a future series (carry forward) the lower mark would be used.
- We'll email Exams Officers when your review of moderation outcome is available to view on Centre Services. The outcome letter will give details of any

mark/grade adjustments. The review of moderation feedback report will be sent to the Exams Officer's email address when the outcome is available.

- If your school or college's mark is reinstated as a result of a review of moderation, we will not charge for it.

Deadline for requests: **25 September 2025**

A review of moderation takes up to 35 calendar days from when the reviewer receives the original sample from the school.

Did you know?

Question papers

If you did not get a chance to see the exam paper or insert on the day of the exam, Exams Officers can download copies of the papers from [Centre Services](#) 10 days after the exam. You can use these with your learners for any future mock assessments and teaching and learning purposes. Remember, all exam papers and inserts must be kept secure in your classrooms. You can download summer 2025 question papers and mark schemes from Centre Services on results day.

Reports on the exam

For most components, the Lead Examiner produces an examiner's report from results day. The report is based on observations of a wide range of learner responses to questions and provides great insight into how the exams went including common misconceptions – and can help you and your learners prepare for the next exams. The majority of reports will be available on [Centre Services](#) from results days (available from August and September).
