May 2026

Dear Rednock Community

As we reach the end of a very busy Term 5, I firstly want to extend a huge congratulations to our Year 13 students, who marked their final day at Rednock today, and our Year 11 students, who officially begin their study leave. We are incredibly proud of them all and wish them the absolute best of luck in their final summer exams and upcoming Leavers' events.

As we look ahead to the break, please note that Term 6 begins on **Monday 1<sup>st</sup> June (Week A)**. Please ensure students return in full uniform and are fully equipped for learning.

I'm also writing with a further update regarding our **Phone-Free** project. As a reminder, Rednock will become a phone-free school for all students in Years 7 to 11 starting in September 2026. To supplement the communications already sent, we have created a section on our website for you to refer to. This contains essential information, and a comprehensive '[Frequently Asked Questions](#)' section to address inevitable questions you may have. Please save the date for our 'Phone Free' Information Evening on **Monday 22<sup>nd</sup> June**, where we will welcome guest speakers to outline the launch of our project.

- **Our Frequently Asked Questions (FAQs) and webpage can be [found here](#)**

As we look ahead to the break, Term 6 will quickly arrive. It is always one of our most exciting terms, packed with transition events for our upcoming Year 7s, trips, activities and work experience placements.

We can't wait to welcome everyone back for the final stretch of the academic year.

Wishing you all a wonderful, relaxing half term break!

My very best wishes,

**Mike Stratford**  
Headteacher
