## Dear Parents and Carers,

I hope this letter finds all of our families safe and well and you have enjoyed the bank holiday weekend. The Summer term is well and truly underway so just a few updates from school for you.

### Staffing

I am delighted to inform you that our governors have appointed Mrs Samantha Blackwood to be our new Deputy Headteacher from September. I am confident that Mrs Blackwood will be a great support to the school in this role. We will therefore welcome a new class teacher to our team in 2021-2022. Due to the changes in school, class structures for next year are not finalised yet. We expect to inform all parents of the class set up for 2021-2022 when we have appointed our new class teacher.

### Reception Places - September 2021

We have a number of spaces available in our Reception Class starting in September. If you do know of any family considering a school place for their child or who might like to admit their child to our wonderful school, please ask them to contact Mrs Rochford in the school office.

### Reading Books

We seem to be missing a number of Early Years and Key Stage 1 reading books. We understand during the lockdown period many books went home and wonder if you would have a look at home and return any school books.

### Beginning of the school day

Doors in both KS1 and KS2 open from 8:45am for children to come into school. We ask that children arrive no earlier than this as there is no one available to supervise and we are still trying to avoid groups gathering on the yard.

### End of school year

Due to the situation with Covid, we are unable to make any definite plans for the end of year at the moment. However, we recognise this is an important milestone in the lives of our children especially those who will be leaving us in Year 6. We have a number of events planned and will pass on details just as soon as we are able.

Thank you for continued support.

Mrs Alison Dunne
