

Henley College Taster Day
Thursday 15th November 2018

31st October 2018

Dear Parents

As part of the process of preparing students for their post-16 education or training and employment, Year 11 will be spending a day at The Henley College on Thursday 15th November. This day is designed to give students a taste of college life and help inform their choices for the future. All students will have the opportunity to sample courses of interest and find out more about the options open to them, both at the Henley College and at other local colleges. Your child has already selected 6 possible choices for them to sample and Henley will be creating a timetable of the day from these.

Coaches will leave promptly after registration on Thursday morning and will return students to school for their normal bus at the end of the day. Ms Burman is the teacher in charge of this trip on the day.

Students are not required to wear school uniform, but those who are doing PE /Sport Science as an option must bring a PE kit with them. As time is short at lunchtime, it is advisable to bring a packed lunch, although the refectory at the college will be open. Students will not be allowed off-site at lunchtime.

I would be most grateful if you email your consent to lphipps@langtreeschool.com or sign the consent form at the bottom of this letter and return it to the red post box in reception as soon as possible but by Friday 9th November at the latest.

Yours sincerely

Ms Lucy Phipps
Head of Year 11
