Dear Parent/ Carer

I am pleased to be able to offer your son/daughter the opportunity to take part in an **Enterprise Workshop on our Creativity Day on Thursday 15th November**. The students will work in school in five groups and complete a series of business challenges throughout the day which will build their skills of team work, negotiation, problem solving, planning and organisation. It is hoped that the students will foster an understanding and develop key skills for working in business, and that this will form part of their wider learning as they move towards GCSE and later, post 16 study. We are thrilled to have Enabling Enterprise working with us on this day; they are a not-for-profit social enterprise group, *an "award-winning partnership of over 200 primary and secondary schools and over 100 employers transforming students' enterprise skills across England."* You can find out more about them at <http://enablingenterprise.org/>

In order for this activity to take place, we are requesting a voluntary contribution of £7.70. As per our Charging and Remissions Policy, this activity will only be able to go ahead if we are able to cover the cost through voluntary contributions. This is the planned activity for all year 9 students on this day and we hope you will be able to support the event. Please return a reply slip and arrange a voluntary contribution of £7.70 by no later than November 9th. If your child is entitled to the Pupil Premium Grant their contribution can be covered.

Methods of payment are as follows:

- Please pay by credit or debit card via the school website. To do this you should go to <http://langtreeschool.com> and click on the 'pay here today' icon on the front page. If you don't have your pupil link code contact finance who can give you the code.

Please return the permission slip to the school office

- If you have any query or difficulty with payment please contact the finance office.
