

Year 10 GCSE Fine Art 2020

Dear Parent/Guardian,

I am enjoying working with the GCSE students this year with some exciting, challenging and rewarding projects throughout the 2-year course.

Throughout the course there are regular homework that will need to be completed using a variety of materials. To support students with this we have organised for packs of art materials that can be purchased at a very reasonable price. Please see details below. If students prefer to organise their own equipment, then please use the list as a guide to the materials they will be needing. With addition access to a digital camera and a means of printing images are going to be essential for collecting their observations.
