

Dear Parents and Guardians,

Langtree School Music Department can offer your child the opportunity to learn a wide range of musical instruments and singing lessons. When helping your child to choose an instrument, you will need to bear in mind that they will require the time and opportunity to practice for at least 15 minutes each day to start with and have a suitable instrument to practice with. Lessons are provided by Oxfordshire County Music Service, Berkshire Maestros and private teachers. We are able to offer flute, oboe, clarinet, saxophone, violin, viola, cello, piano, keyboard, guitar (all styles), drum kit, and singing. The different providers offer individual and group lessons in a variety of lengths and prices.

If your child is interested in continuing or beginning music lessons, please complete and return the form below either by post or by email to shenderson@langtreeschool.com and I will get back to you with further details.

Yours sincerely

Stephen Henderson
Head of Music
