INSTAGRAM

Please note: We suggest that you use your mobile device to access your Instagram account privacy settings.
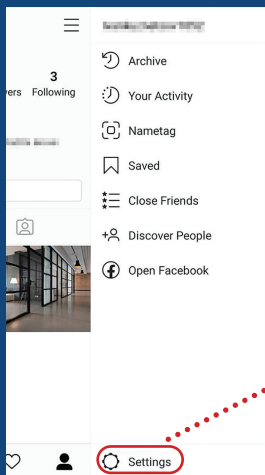

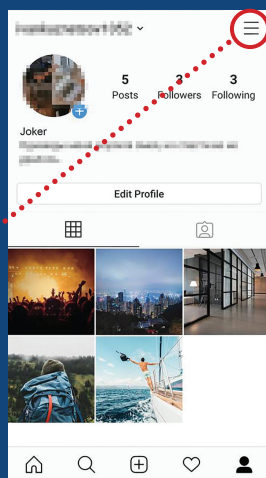

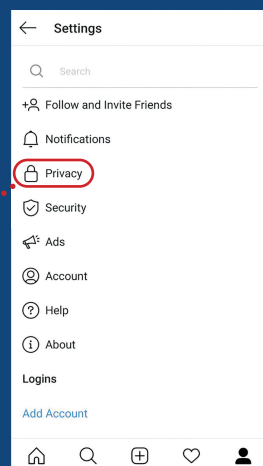

On your Phone

1 Log in to your Instagram account

**2** On the bottom of your Instagram page, tap your profile icon

3 Once you are on your profile, navigate to the top of the screen and tap the three horizontal lines (on the right hand side)

4 Navigate to the bottom and tap on 'Settings'

**5** Once in 'Settings', tap on 'Privacy'

6 Once you are in 'Privacy' you will be able to amend various aspects of your Instagram account
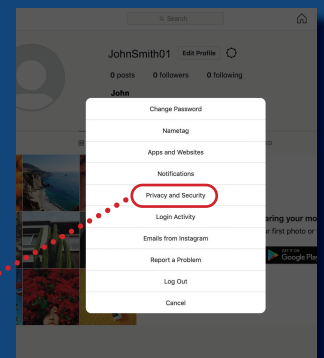

On your Desktop

1 Log in to your Instagram account

2 Navigate to the top of the screen and click on your profile

3 Once you are on your profile, click on the cog displayed next to your username

4 Once you have clicked on the cog, a window will pop up with a few options – select 'Privacy and Security'

5 Once you are in 'Privacy and Security' you will be able to amend various aspects of your Instagram account
