

February 2022

Dear Parent/Guardian

The Design and Technology Department has purchased new resources to enhance the learning of all students in KS4.

The first is an electronic version of the Illuminate AQA approved textbook for Food Preparation and Nutrition covering the entire GCSE course, which will be provided free of charge to all students and can be accessed via the internet. All students have been given a password.

In addition, students will require a revision guide and workbook including examination style questions. The guides present the work in summary form to aid revision for the exams, and include sections to practise examination questions. We will be using these for homework. Unfortunately, the school is unable to cover the cost of these additional resources in full, but we are able to offer them for sale at a discounted price of £2.85 each, this will be a total cost of £5.60. If your child is entitled to the Pupil Premium Grant their book can be paid for by the school.

The following Guides should be purchased:

FT001 GCSE AQA Food Preparation and Nutrition Revision Guide ISBN 9781 78294 6496

FT002 GCSE AQA Food Preparation and Nutrition Workbook ISBN 9781 78294 6502

Methods of payment are as follows:

Please pay by credit or debit card via the school website

To do this you should go to <http://langtreeschool.com> and click on the SCOPAY icon on the front page.

If you don't have your pupil link code contact finance who can give you the code.

If you have any query or difficulty with payment, please contact the finance office at

finance@langtreeschool.com

Please can you pay by the **end of half term**. The books will be handed out in a lesson after half term.

Yours faithfully,

Sarah Darkins
